U77	2.8mm SEALS

**SECURE
SIDE LOCK**

**IP67 RATED
WATER RESISTANT**

HDSCS (Heavy Duty Sealed Connector Series) **connectors** are used in commercial and other industrial applications to provide reliable, high-performance electrical connections in harsh, high-vibration environments. They are sealed against dust and water and are used for applications like engine and transmission components, chassis wiring, braking systems, and telematics.

HDSK1

FULLY STOCKED CARRY CASE ALSO AVAILABLE

Includes all connectors and terminals listed above
